

Bro. Greg Addison

**Greg Addison Preaches  
in Morning and Evening Worship Services**

Today we welcome Bro. Greg Addison, Associate Executive Director of the Arkansas Baptist State Convention. Greg's journey in ministry began as Minister to Single Adults at Bellevue. He has also served as a senior pastor, President of the Arkansas Baptist State Convention, and Chaplain for the 89th General Assembly of the Arkansas House of Representatives. Greg and his wife, Janet, are the parents of Mabry and Grant.

# Special Needs Area Open House

**Today | 10:30 a.m.–1:00 p.m. | East Lobby (follow signs to the Open House)**

In the 2014 Love Offering, Bellevue members generously gave above their regular tithes to support our Special Needs Ministry. Today you have the opportunity to see how those funds are being used to minister to this growing community. Stop by to see the new Special Needs area and visit with Bellevue staff.

## **Multi-sensory Sound/Light Room (Bottom Right)**

This room provides students with sensory exploration, serving to engage or calm adults and children with special needs. Many special needs learners are very curious and love to explore. Sound, light, and touch will engage their active and explorative minds.

## **Movement Room (Top Right)**

This area provides active students with opportunities to jump, bounce, run, skip, and climb. Many students with special needs benefit from movement and exercise.

## **Bible Lesson Area (Bottom left)**

This is where students will most effectively learn the truth of God's Word. It will function as a theater for biblical dramas, making the lessons come to life for students who greatly benefit from concrete learning.
